## News 2024

In 2024, new future icons are unlocked: Banana Leaf lamp by Marcantonio and Coliseum armchair by Alvaro Uribe. With clear references to lush nature and artistic beauty, the two novelties fully embody the values of SLIDE and enrich the offer for indoor and outdoor projects.

**BANANA LEAF**  
Modular hanging lamp  
34 x 53 h183 cm

MARCANTONIO

**COLISEUM**  
Armchair  
66 x 65 h86 cm  
seat h45cm

Alvaro Uribe

## Icons

SLIDE has always loved making icons: our story is told through shapes, textures and colours of the items we have created over time. Our products become ambassadors and they take us all over the world: special protagonists with a pop, colourful and ironic soul. They are also the result of a deep and constant research for sustainable materials. A history studded with icons that have accompanied design lovers for over twenty years.
